## Product Specifications

Structure:

|         |                    |                 |
|---------|--------------------|-----------------|
| Name    | 活性炭粉               | CH <sub>4</sub> |
| EN Name | Activated charcoal |                 |
| Catalog | A51680             |                 |
| CAS     | 7440-44-0          |                 |
| M.F.    | C                  |                 |
| M.W.    | 12.01              |                 |

| Test                  | Norm         |
|-----------------------|--------------|
| Particle Size         | 150-250      |
| Loss On Drying        | 15           |
| Water By Karl Fischer | 15           |
| Appearance            | Black powder |

Shanghai Acmec Biochemical Co, Ltd.  
1301 Rm, NO.1, 1588 Wangyuan South Rd, Fengxian, Shanghai
