

## Product Specifications

Structure:

|         |                          |
|---------|--------------------------|
| Name    | 7-氨基-4-甲基香豆素             |
| EN Name | 7-Amino-4-methylcoumarin |
| Catalog | A99190                   |
| CAS     | 26093-31-2               |
| M. F.   | C H NO                   |
| M. W.   | 175.18                   |

| Test                  | Norm                  |
|-----------------------|-----------------------|
| Appearance            | Yellow to brown solid |
| Purity                | ≥98%                  |
| Water By Karl Fischer |                       |
