## Product Specifications

Structure:

|         |  |
|---------|--|
| Name    | 葡聚糖500   |
| EN Name | Hexopyranosyl-(1->6)hexopyranosyl-(1->6)hexose |
| Catalog | D88535   |
| CAS     | 9004-54-0                                      |
| M.F.    | C H O  |
| M.W.    | 504.44   |

| Test       | Norm                |
|------------|---------------------|
| Appearance | White Powder        |
| Solubility | 50mg/mL,H2O         |
| Mol Wt     | Average Mv ~500,000 |
