

## Product Specifications

### Compound Information

|                                     |         |                                                                                     |        |
|-------------------------------------|---------|-------------------------------------------------------------------------------------|--------|
| Product Name: 2-羟基-3-萘甲酸            |         |  |        |
| EN Name: 3-Hydroxy-2-naphthoic acid |         |                                                                                     |        |
| Product No:                         | H34100  |                                                                                     |        |
| CAS:                                | 92-70-6 | Molecular Weight:                                                                   | 188.18 |

### Quality Control Information

|            |              |
|------------|--------------|
| Test:      | Norm:        |
| Appearance | Yellow solid |
| Purity     | 98%          |
