

## Product Specifications

### Compound Information

|                                    |           |                         |                     |
|------------------------------------|-----------|-------------------------|---------------------|
| Product Name: 盐酸羟胺                 |           | H <sub>2</sub> N-OH HCl |                     |
| EN Name: Hydroxylammonium chloride |           |                         |                     |
| Product No:                        | H87290    | Molecular Fommula:      | ClH <sub>4</sub> NO |
| CAS:                               | 5470-11-1 | Molecular Weight:       | 69.49               |

### Quality Control Information

|            |               |
|------------|---------------|
| Test:      | Norm:         |
| Appearance | White crystal |
| Purity     | 98%           |
