

## Product Specifications

### Compound Information

|                          |          |                    |                                   |   |
|--------------------------|----------|--------------------|-----------------------------------|---|
| Product Name:1-碘十八烷      |          |                    |                                   |  |
| EN Name:1-Iodooctadecane |          |                    |                                   |   |
| Product No:              | I48850   | Molecular Formula: | C <sub>18</sub> H <sub>37</sub> I |   |
| CAS:                     | 629-93-6 | Molecular Weight:  | 380.39                            |   |
|                          |          |                    |                                   |   |

### Quality Control Information

|                       |                       |
|-----------------------|-----------------------|
| Test:                 | Norm:                 |
| Appearance            | White solid           |
| Purity                | 98%                   |
| Water By Karl Fischer |                       |
| Structure             | Conforms to structure |
