

## Product Specifications

### Compound Information

|                                |           |                    |                                 |   |
|--------------------------------|-----------|--------------------|---------------------------------|---|
| Product Name:(1R)-(+)-alpha-蒈烯 |           |                    |                                 |  |
| EN Name:(+)-α-Pinene           |           |                    |                                 |   |
| Product No:                    | P95790    | Molecular Formula: | C <sub>10</sub> H <sub>16</sub> |   |
| CAS:                           | 7785-70-8 | Molecular Weight:  | 136.23                          |   |

### Quality Control Information

|            |                  |
|------------|------------------|
| Test:      | Norm:            |
| Appearance | Colorless liquid |
| Purity     | 98%              |
